PRIVATE & PROFESSIONAL FEES FROM JANUARY 2015

Some services you may require from us are not covered by the National Health Service and a charge will be levied for this work in accordance with British Medical Association guidance. A list of the most common private requests and their guide fees are listed below. You will always be informed of the fee required for your work prior to its completion.

STUDENTS

Please note that whilst we have taken the decision not to charge students for compulsory private work, there may be a charge for completion of some paperwork relating to non-compulsory activities. You will be advised of the fee for the work before its completion.
